

TABLE OF CONTENTS

VOLUME 1

	Acronym List and Glossary	
1	INTRODUCTION AND SUMMARY.....	1-1
	Program Objectives	
	Environmental Regulation	
	Public and Agency Involvement	
	Summary Description of Existing System and Program Alternatives	
	Areas of Controversy and Key Issues to be Resolved	
	Impact and Mitigation Summary	
	Summary of CEQA-Required Sections	
2	PROJECT DESCRIPTION	2-1
	Introduction	
	Project Location	
	Development of Alternatives	
	Future System Requirements	
	Existing System	
	Program Alternatives	
	Alternatives Considered but not Carried Forward	
	Program Components	
	IRWP Employment Generation	
	Measures Included in the Program	
	Emergency Scenarios	
	Cost of Alternatives	
	Cumulative Scenario	
	Required Permits and Approvals	
	Preparers and References	
3	MITIGATION AND MONITORING PROGRAM	3-1
	Introduction	
	Compliance with Existing Programs	
	Measures Included in the Project	
	Planning Measures	
	Construction Measures	
	Operation and Maintenance Measures	

Summary of Mitigation Measures by Alternative

4.0 ENVIRONMENTAL ANALYSIS INTRODUCTION AND GENERAL SETTING..... 4.0-1

Introduction

Organization of Sections

4.1 LAND USE 4.1-1

Impacts Evaluated in Other Sections

Setting

Goals, Objectives and Policies

Evaluation Criteria with Significance Thresholds

Methodology

Impacts and Recommended Mitigation Measures

Cumulative Impacts

Summary of Impacts by Alternative

Preparers and References

4.2 AGRICULTURE..... 4.2-1

Impacts Evaluated in Other Sections

Setting

Goals, Objectives and Policies

Evaluation Criteria with Significance Thresholds

Methodology

Impacts and Recommended Mitigation Measures

Cumulative Impacts

Summary of Significant Impacts and Mitigation Measures

Summary of Impacts by Alternative

Preparers and References

4.3 GEOLOGY, SOILS, AND SEISMICITY 4.3-1

Impacts Evaluated in Other Sections

Setting

Goals, Objectives and Policies

Evaluation Criteria with Significance Thresholds

Methodology

Impacts and Recommended Mitigation Measures

Cumulative Impacts

Summary of Significant Impacts and Mitigation Measures

Summary of Impacts by Alternative

Preparers and References

4.4 SURFACE WATER HYDROLOGY 4.4-1

Impacts Evaluated in Other Sections

Setting

Goals, Objectives and Policies

Evaluation Criteria with Significance Thresholds

Methodology

Impacts and Recommended Mitigation Measures

Cumulative Impacts

Summary of Significant Impacts and Mitigation Measures

Summary of Impacts by Alternative

Preparers and References

4.5 GROUNDWATER..... 4.5-1

Impacts Evaluated in Other Sections

Setting

Goals, Objectives and Policies

Evaluation Criteria with Significance Thresholds

Methodology

Impacts and Recommended Mitigation Measures

Cumulative Impacts

Summary of Significant Impacts and Mitigation Measures

Summary of Impacts by Alternative

Preparers and References

4.6 SURFACE WATER QUALITY 4.6-1

Impacts Evaluated in Other Sections

Setting

Goals, Objectives and Policies

Evaluation Criteria with Significance Thresholds

Methodology

Impacts and Recommended Mitigation Measures

Cumulative Impacts

Summary of Significant Impacts and Mitigation Measures

Summary of Impacts by Alternative

Preparers and References

VOLUME 2

4.7	PUBLIC HEALTH AND SAFETY	4.7-1
	Impacts Evaluated in Other Sections	
	Setting	
	Goals, Objectives and Policies	
	Evaluation Criteria with Significance Thresholds	
	Methodology	
	Impacts and Recommended Mitigation Measures	
	Cumulative Impacts	
	Summary of Significant Impacts and Mitigation Measures	
	Summary of Impacts by Alternative	
	Preparers and References	
4.8	BIOLOGICAL RESOURCES.....	4.8-1
	Impacts Evaluated in Other Sections	
	Setting	
	Goals, Objectives and Policies	
	Evaluation Criteria with Significance Thresholds	
	Methodology	
	Impacts and Recommended Mitigation Measures	
	Cumulative Impacts	
	Summary of Significant Impacts and Mitigation Measures	
	Summary of Impacts by Alternative	
	Preparers and References	
4.9	JURISDICTIONAL WETLANDS.....	4.9-1
	Impacts Evaluated in Other Sections	
	Setting	
	Goals, Objectives and Policies	
	Evaluation Criteria with Significance Thresholds	
	Methodology	
	Impacts and Recommended Mitigation Measures	
	Cumulative Impacts	
	Summary of Significant Impacts and Mitigation Measures	
	Summary of Impacts by Alternative	
	Preparers and References	

4.10	TRANSPORTATION.....	4.9-1
	Impacts Evaluated in Other Sections	
	Setting	
	Goals, Objectives and Policies	
	Evaluation Criteria with Significance Thresholds	
	Methodology	
	Impacts and Recommended Mitigation Measures	
	Cumulative Impacts	
	Summary of Significant Impacts and Mitigation Measures	
	Summary of Impacts by Alternative	
	Preparers and References	
4.11	AIR QUALITY.....	4.11-1
	Impacts Evaluated in Other Sections	
	Setting	
	Goals, Objectives and Policies	
	Evaluation Criteria with Significance Thresholds	
	Methodology	
	Impacts and Recommended Mitigation Measures	
	Cumulative Impacts	
	Summary of Significant Impacts and Mitigation Measures	
	Summary of Impacts by Alternative	
	Preparers and References	
4.12	NOISE	4.12-1
	Impacts Evaluated in Other Sections	
	Setting	
	Goals, Objectives and Policies	
	Evaluation Criteria with Significance Thresholds	
	Methodology	
	Impacts and Recommended Mitigation Measures	
	Cumulative Impacts	
	Summary of Significant Impacts and Mitigation Measures	
	Summary of Impacts by Alternative	
	Preparers and References	
4.13	CULTURAL RESOURCES.....	4.13-1
	Impacts Evaluated in Other Sections	
	Setting	

Goals, Objectives and Policies
Evaluation Criteria with Significance Thresholds
Methodology
Impacts and Recommended Mitigation Measures
Cumulative Impacts
Summary of Significant Impacts and Mitigation Measures
Summary of Impacts by Alternative
Preparers and References

4.14 VISUAL RESOURCES..... 4.14-1

Impacts Evaluated in Other Sections
Setting
Goals, Objectives and Policies
Evaluation Criteria with Significance Thresholds
Methodology
Impacts and Recommended Mitigation Measures
Cumulative Impacts
Summary of Significant Impacts and Mitigation Measures
Summary of Impacts by Alternative
Preparers and References

4.15 PUBLIC SERVICES AND UTILITIES 4.15-1

Impacts Evaluated in Other Sections
Setting
Goals, Objectives and Policies
Evaluation Criteria with Significance Thresholds
Methodology
Impacts and Recommended Mitigation Measures
Cumulative Impacts
Summary of Significant Impacts and Mitigation Measures
Summary of Impacts by Alternative
Preparers and References

4.16 ENERGY 4.16-1

Impacts Evaluated in Other Sections
Setting
Goals, Objectives and Policies
Evaluation Criteria with Significance Thresholds
Methodology

Impacts and Recommended Mitigation Measures
Cumulative Impacts
Summary of Significant Impacts and Mitigation Measures
Summary of Impacts by Alternative
Preparers and References

5 GEYSERS SUMMARY..... 5-1
6 STORAGE SUMMARY..... 6-1
7 COMBINATIONS OF ALTERNATIVES 7-1

Example Combinations of Alternatives
Additive Effects
Proportionality of Impacts
Evaluation of Impacts
Goals, Objectives and Policies

8 CEQA-REQUIRED SECTIONS..... 8-1

Alternatives Considered and Rejected
Growth-Inducing Impacts of the Program
Significant and Unavoidable Adverse Impacts
Irreversible and Irretrievable Commitment of Resources
Environmentally Superior Alternative
Preparers and References

VOLUME 3 - APPENDICES

Appendix A Agency Response Letters to the Notice of Preparation/Initial Study
Appendix B Final Screening Report
Appendix C Cumulative Projects List
Appendix D Surface Water Hydrology
 D.1 Potential Streambank Erosion
 D.2 Potential Flood Impacts
Appendix E Evaluation of Impacts Resulting from DCP Discharge to Surface Water
Appendix F Human Health Risk Assessment
Appendix G Biological Resources
 G.1 Special-Status Plants
 G.2 Special-Status Animals
 G.3 Ecological Risk Assessment

G.4 Potential Impacts of the Discharge Compliance Project on
Chinook Salmon, Coho Salmon, and Steelhead
G.5 Distribution and Growth of Invasive *Ludwigia* in the Laguna de
Santa Rosa
G.6 Special-Status Vegetation Communities

Appendix H Roadway Congestion Analysis
Appendix I Air Quality Calculations
Appendix J Annual Energy Consumption by Component
Appendix K Department of Health Services Criteria Letter
Appendix L Engineering Report Updates

VOLUME 4 – DRAFT ENGINEERING REPORT

VOLUME 5 – TECHNICAL MEMORANDA D-1A TO D-5

TM D-1a Initial Direct Discharge Facility Evaluation and Siting Analysis
TM D-1b Descriptions of Direct Discharge Facility Components
TM D-1c Descriptions of Laguna Discharge Facility Components
TM D-2a Initial Conveyance System Facility Evaluation and Siting Analysis
TM D-2b Descriptions of Pipeline Facility Components
TM D-3a Geotechnical/River Stability Fatal Flaw Analysis
TM D-3b Reconnaissance-Level Geologic and Geotechnical Hazard Assessment
TM D-3c Geomorphologic Reconnaissance of Direct Discharge Candidate Sites
on the Russian River
TM D-4 Surface Water mixing Analysis
TM D-5 Winter-Spring 2006 Evaluation of Recycled Water and Receiving
Water Copper, Lead, and Nickel

VOLUME 6 – TECHNICAL MEMORANDA D-6 TO D-13 AND I-2 TO I-9

TM D-6 Laguna and Russian River Water Quality Model Summary
TM D-7 Water Balance Model Summary
TM D-8 Xenobiotics Update
TM D-9 Temperature and Dissolved Oxygen Compliance Evaluation
TM D-10 Advanced Membrane Treatment Evaluation
TM D-11 Enhanced Nutrient Removal Evaluation
TM D-12 Descriptions of Pump Stations and Treatment Facility Components
TM D-13 Engineering Estimate of Probable Costs

TM I-2	Initial Indirect Discharge Facility Evaluation and Siting Analysis
TM I-3	Subregional Soil Column Study
TM I-5	Indirect Discharge Water Quality Constituent Attenuation Summary
TM I-6	Infiltration/Percolation Sustainable Rate Assessment
TM I-8	Regional Groundwater-Surface Water Interactions along the Russian River and the Laguna de Santa Rosa
TM I-9	Groundwater Modeling for Indirect Discharge
